

EISENHOWER MIDDLE SCHOOL CHOIR

www.eisenhowerchoirs.com

There are 27 middle schools in APS, Eisenhower Middle School is only one of the handful that still offer choir. Eisenhower's Concert Choir is currently the middle school state champion for the fifth year in a row and was selected as the NMMEA State Honor Choir in 2016. The Eisenhower Choir Program seeks to give the outstanding students at the school as many opportunities for success as possible. Most importantly, we are proud of our tradition of helping these young singers become the best person they can be. Your tax-deductible donation will help immensely with that effort.

Please consider sponsoring a student in this fine choral program. We receive no state or district funding, so your donation goes directly to helping us purchase music, buses, uniforms, costumes, and all other expenses. Any amount goes a long way and is greatly appreciated. The back of this page has a description of all the sponsorship packages.

Thank you for your consideration,
William Gonzales
Choral Director, Eisenhower Middle School
